

DEMOCRACY

Join the Democracy Roundtable

Fall 2023 Democracy Fellowship

Applications NOW OPEN

The Growing Democracy Project (GDP) is excited to host our second “Democracy Roundtable.” First launched in Spring 2023, the Roundtable is a space for faculty, staff, students, and community members to come together and discuss pressing issues related to democracy. Our aim is to create space for critical dialogue on democracy and civic life and discuss ways to enrich our democracy and foster peaceful change.

This year, our focus is on *decolonizing democracy*.

Participants will meet as a group three times during the semester:

Thursday, September 21, 3:00pm—4:30pm

Thursday, October 19, 3:00pm—4:30pm

Thursday, November 16, 3:00pm—4:30pm

Together, we will discuss current events and shared readings. Snacks will be provided.

Democracy Fellows: Students (advanced undergraduate and graduate students) may apply to be a Democracy Fellow. Fellows will receive a stipend for their participation in the program. Fellows agree to attend all meetings, meet 1-1 with a Roundtable facilitator, and contribute to the Growing Democracy Project by writing for GrowingDemocracyOH.org (e.g., concept pages, blog posts) and/or working on applied projects. Fellows will have the opportunity to collaborate with their cohort and members of the GDP team on events, workshops, and research projects.
